Hours of care go into creating our hand made wood carving knives and tools. We use only the finest tool steel. The carbon content is .75% and nickel content is 2.8%, which gives the tools hardness and durability. The Rockwell hardness of each knife is C57.2. Every process is done by hand.

West Coast Carving Courses

Preferred Edge Carving Knives & Supplies along with Creek Edge B&B host annual carving courses.

All our courses are taught by a West Coast First Nation Artist/Instructor. We scheduled courses for carving totem poles, rattles and masks. You will experience five days of carving, stories, and songs of Canadian First Nations Culture.

Courses are held in April, May, June & September. Please look on Preferred Edge website or call Mike or Louise at (888) 811-5551 for details
